Hello,

I would like to request a copy of the police report filed on my behalf by Officer Cosentino, Badge Metra 39, on November 10, 2015 regarding the laptop that was lost and subsequently stolen on the Rock Island line, Train 609. If you have any questions or concerns, please let feel free to contact me. Also, will you please provide an expected date of receipt, if not immediate, so I can forward along to those responsible at my work.
